APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to change the point of diversion, place and manner of use of the waters of an underground source as heretofore granted under Permit 15068 is issued subject to the terms and conditions imposed in said Permit 15068 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening, and a weir or other type of measuring device at or near the well to facilitate the measurement and control of the water. If well is flowing, a valve must be installed and maintained to prevent waste. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.40 cubic feet per second, but not to exceed

24,362,019 gallons annually.

Actual construction work shall begin on or before March 13, 1968

Proof of commencement of work shall be filed before April 13, 1968

Work must be prosecuted with reasonable diligence and be completed on or before March 13, 1968

Proof of completion of work shall be filed before April 13, 1968

Application of water to beneficial use shall be made on or before March 13, 1971

Proof of the application of water to beneficial use shall be filed on or before April 13, 1971

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed May 20, 1968 IN TESTIMONY WHEREOF, I, ROLAND D. WESTERGARD

Completion of work filed May 20, 1968 State Engineer of Nevada, have hereunto set my hand and the seal of

Proof of beneficial use filed April 27, 1971 my office, this 13th day of December
